Rev. January 2017

1. Definitions.

"**Seller**" means Howmet Limited (company number 02659893) whose registered office is at 26a Atlas Way, Sheffield, S4 7QQ. "**Buyer**" means the individual, company or other legal entity that has submitted an Order to the Seller. "**Order**" means the Buyer's expressed desire, whether oral or written, to procure Goods from the Seller. "**Goods**" means all of the products, materials and related services that the Buyer desires to purchase from the Seller. These terms and conditions of sale apply to the sale of the Seller's Goods and/or services (the "**Terms and Conditions**").

2. Acceptance.

2.1 Any Order placed by the Buyer is subject to written acceptance by the Seller, which may include a sales order acknowledgement. These Terms and Conditions constitute the sole terms and conditions of any Order between the parties unless other written, mutually agreed, terms and conditions have been executed between the parties. The Order, the written acceptance, if any, and these Terms and Conditions shall be the complete and final agreement (the "**Agreement**") between the Seller and the Buyer with respect to the purchase and sale of Goods and/or services identified in the Order, to the exclusion of any other terms and conditions that the Buyer seeks to impose or incorporate, or which are implied by trade, custom, practice or course of dealing.

2.2 The Seller's acceptance of any Order is expressly made conditional upon the application of these Terms and Conditions. The Seller objects to any additional or different terms and conditions proposed that the Buyer seeks to impose or incorporate, or which are implied by trade, custom, practice or course of dealing. The Seller will not be deemed to have waived these Terms and Conditions if the Seller fails to object to provisions contained in the Buyer's communications. The Buyer's acceptance of the Seller's Goods or services constitutes the Buyer's acceptance of these Terms and Conditions. No amendment to these Terms and Conditions shall have any effect unless approved in writing by a director or other authorised employee of the Seller.

2.3 In all cases, the Seller's acceptance of an Order is conditional for a period of up to three (3) business days to confirm the Buyer's creditworthiness.

2.4 The Seller reserves the right to decline any Order. Orders confirmed by the Seller cannot be cancelled except with the written consent of the Seller.

3. Price.

3.1 Unless otherwise agreed to in writing by the parties, pricing and charges will be as stated at the time the Seller accepts the Buyer's Order for Goods and/or services by sales order acknowledgement or as otherwise notified to the Buyer by the Seller in writing.

3.2 All prices and payments are in Sterling unless otherwise agreed. Quotations in a currency other than Sterling are based on the rate of exchange at the time of quoting and unless otherwise stated the price may be subject to revision up or down if any different rate of exchange is ruling at the date of invoice. The prices stated do not include any value added tax or any other tax or duty related to the manufacture, transportation, export, import, sale or delivery of the Goods and/or services and all such taxes in effect or hereafter levied are in addition to such prices and will be paid by the Buyer.

4. Payment.

- 4.1 The Buyer will make payment pursuant to the Seller's invoices at the prices provided therein subject to any applicable agreement between the parties such as material re-pricing or alloy cost adjustments or labour or utilities cost adjustments.
- 4.2 The Buyer shall submit with each payment a statement, which clearly states, without commingling, the Seller's invoice numbers, quantity of Goods purchased and the amount being paid.
- 4.3 The Buyer's obligation to make full and timely payment of amounts due under the Agreement shall be without rights of abatement, counterclaim, deduction or set-off. In the event that the Buyer fails to pay the Seller's invoices when due, the Buyer will be obliged to pay the Seller, on all amounts so unpaid, interest, at the higher of the maximum permissible rate for overdue accounts or the rate of five percent (5%) per annum over base rate of the Bank of England prevailing from day to day, from the date such payment was due until the date paid by the Buyer and shall be compounded monthly on the amount overdue until payment thereof. Such interest will be due and payable without demand by the Seller.
- 4.4 Unless agreed otherwise in writing by the Seller, payment terms are net thirty (30) days from the date of the Seller's invoice. Notwithstanding the foregoing, should the Buyer experience a deterioration in its creditworthiness or other reasonable grounds for insecurity arise with respect to the Buyer's ability to timely pay, the Seller may demand different terms of payment and may, orally or in writing, demand assurance of the Buyer's ability to timely pay. The Seller may, upon the making of such demand, stop production and suspend shipment hereunder. If, within the period stated in such demand, the Buyer fails or refuses to agree to such different terms of payment or fails or refuses to give adequate assurance of the Buyer's ability to timely pay, the Seller may, at its option, treat such failure or refusal as a repudiation of the portion of the Agreement which has not been fully performed, or may resume production and may make shipment under reservation of possession of a security interest and may demand payment against tender of documents of title.
- 4.5 The Seller retains all rights at law pertaining to collection of unpaid amounts owed by the Buyer under the Agreement, and the Buyer shall reimburse the Seller for all costs associated with such collection activities including reasonable legal and professional fees.
- 4.6 Time of payment by the Buyer shall be of the essence of the Agreement.

 - (b) the Buyer shall have a right to possession (but not ownership) of such Goods and shall ensure that the Goods shall be clearly marked and identifiable as being the Seller's property;
 - (c) the Seller may recover all or any part of such Goods at any time from the Buyer if they are in the Buyer's possession and any of the events in Condition 14.2 has occurred and for that purpose the Seller, its agents and representatives may enter upon any land or building upon or in which such Goods are situated;

- (d) the Buyer has a right to dispose of such Goods (as between it and its customers only) as principal in the ordinary course of its business;
- (e) the Seller shall package the Goods in accordance with applicable industry standards; and
- (f) even if legal title to the Goods has not passed to the Buyer, the Seller may nevertheless maintain an action against the Buyer for the purchase price and all other monies in relation to the Goods notwithstanding Section 49 of the Sale of Goods Act 1979.

5.3 If before title to the Goods passes to the Buyer, the Buyer becomes subject to any of the events listed in Condition 14.2 then, without limiting any other right or remedy the Seller may have, the Buyer's right to resell the Goods or use them in the ordinary course of its business shall cease immediately (without notice).

6. Delays.

The Seller will use commercially reasonable efforts to fulfil the relevant Agreement in accordance with the estimated delivery or shipping date, but the Seller will not be responsible for any delays in fulfilling the Agreement nor liable for any losses or damages resulting from such delays. The Agreement will not be subject to cancellation for any such delays.

8. Packaging and Transportation.

The agency and method of transportation of the Goods and the routing of the Goods to the delivery point will be designated by the Seller. If the Seller complies with the Buyer's request with respect to the use of any agency or method of packaging or transportation or any routing other than that which would otherwise be designated by the Seller, all packing, marking, shipping, transportation and other charges which are in excess of the charges which would otherwise be incurred by the Seller will be for the Buyer's account and the Buyer agrees to pay such amounts in accordance with the payment terms in these Terms and Conditions.

9. Instalments; Product Weights.

9.1 The Seller reserves the right to make the Goods available in instalments, and to invoice instalments separately. Each instalment shall constitute a separate Agreement. 9.2 The Seller's product weights as shown on the packaging will govern for each product. Should the Buyer dispute the product weight of any product, the Buyer will promptly notify the Seller in writing of the reasons for such dispute and provide to the Seller all necessary documents to substantiate the difference.
