Alcoa® Dura-Black™ Wheels for Freightliner Trucks

A Bold New Style.
These new wheels have the same benefits of all lightweight Alcoa® aluminum wheels, now in Menacing Matte Black. They utilize advanced proprietary technology and production processes resulting in an alternative styling option.

A Personal Statement. Quality in Every Detail.
- Precision laser-etched logo
- Treated on both sides
- Premium two-tone look
- Matching valve stem

Alcoa® One-Piece Hub Cover System to Complete the Appearance
- Color matching Menacing Matte Black finish
- Updated retention system
- Fits more applications

Hub Pilot - 10 Bolt Holes, 285.75mm Bolt Circle, 220.1mm Bore
