Subject: DFAR Specialty Metals Fastener Self Certification

To Whom It May Concern:

Arconic Global Fasteners & Rings, Inc., on behalf of itself and its subsidiaries and affiliates doing business as Arconic Fastening Systems certifies it will purchase, during the calendar year of 2019, an amount of domestically melted or produced specialty metal, in the required form, for use in the production of fasteners for sale to the Department of Defense and other customers, that is not less than 50 percent of the total amount of the specialty metal that it will purchase to carry out the production of such fasteners for all customers. Accordingly, Arconic Fastening Systems considers the commercial fasteners it produces to comply with DFARS 252.225-7009.
