Revised Time: October 27 Arconic 2016 Investor Event

New York, October 21, 2016 – Alcoa Inc. (NYSE:AA) previously announced that future company Arconic will host a global investor webcast on October 27. The time for this event has been revised to 8:00 AM. Details are below.

Arconic Global Investor Webcast

Thursday, October 27 at 8:00 AM EDT

Webcast link: www.alcoa.com/arconicinvestorlaunch

At the event, management will discuss Arconic's leadership in multi-material, precision-engineered products and solutions as well as its strengths, strategies, expectations and outlook. Presenters will be:

- **Klaus Kleinfeld**, future Arconic Chairman and Chief Executive Officer and current Chairman and Chief Executive Officer, Alcoa Inc.
- **Ken Giacobbe**, future Arconic Executive Vice President and Chief Financial Officer and current Chief Financial Officer, Alcoa Engineered Products and Solutions

A replay and archived presentation slides of the webcast will be available on www.alcoa.com following its conclusion.

The separation of Alcoa Inc. into two standalone public companies is scheduled to become effective before the opening of the market on November 1, 2016. Arconic will trade on the New York Stock Exchange under the symbol "ARNC."

In preparation for the separation, Arconic has commenced a series of investor meetings. These presentation materials are currently available on www.alcoa.com.

Dissemination of Company Information

Alcoa Inc. intends to make future announcements regarding Company developments and financial performance through its website at www.alcoa.com.

About Alcoa

A global leader in lightweight metals technology, engineering and manufacturing, Alcoa innovates multi-material solutions that advance our world. Our technologies enhance transportation, from automotive and commercial transport to air and space travel, and improve industrial and consumer electronics products. We enable smart buildings, sustainable food and beverage packaging, high-performance defense vehicles across air, land and sea, deeper oil and gas drilling and more efficient power generation. We pioneered the aluminum industry over 125 years ago, and today, our approximately 57,000 people in 30 countries deliver value-add products made of titanium, nickel and aluminum, and produce best-in-class bauxite, alumina and primary aluminum products. For more information, visit www.alcoa.com, follow @Alcoa on Twitter at www.twitter.com/Alcoa and follow us on Facebook at www.facebook.com/Alcoa.
